The ASME/UH OTC Crawfish Boil has become the largest and most popular event of OTC other than the show itself (8000 people attended in '08)! Held on the University of Houston campus adjacent to the University Hilton, thousands of pounds of Crawfish are served (18,000 pounds served at the '08 event!) along with BBQ, hot dogs, bratwurst and sausage, a variety of desserts (such as 5000 cookies supplied by ASME!), beer and soft drinks. There is a live band and dance floor, children's games and fantastic raffle prizes. During the festivities the Outstanding Achievement in the Oil Industry Award is presented. Sponsors are acknowledged and thanked several times from the stage.

Sponsorship is in three categories:

Titanium sponsorship: 400 tickets @ \$12,000 which includes a 40x20' tent with tables and chairs

Platinum sponsorship: 200 tickets @ \$6000 which includes A 40x20' tent with tables and chairs

Corporate sponsorship: 100 tickets @ \$3000 (no tent)

There is general seating throughout the event area for those without a tent or without an invitation to a tent area. We provide signage in front of tents. All sponsors are listed on

EVENT LOCATION: UH Campus, Lynn Eusan Park

the legs of a mock semi-submersible rig which serves as the entrance.

All of the previous years' sponsors are listed in three pre-OTC ads in the Oil & Gas Journal and Offshore Magazine (two one third page and one half page) advertising the upcoming Crawfish Boil as the OTC kick-off.

Proceeds are for Engineering Scholarships to help perpetuate our industry. This is a great way to entertain customers and say thank you to employees so we hope you will join us for an amazing day!
